

Wish List

Every Creature Counts is a no-kill, cage-less sanctuary located in Northern Colorado. Our goal of eliminating the feral, stray, abandoned, and unwanted cat and dog population -- and thus euthanasia -- includes these programs:

Spay & Neuter ~ We operate a low-cost spay and neuter clinic seven days per week, serving all cats and dogs. Very low cost vaccinations.

Rescue ~ We partner with numerous shelters to offer many animals that are slated for euthanasia a second chance, and receive many dogs/puppies from puppy mills.

Care ~ We provide medical care for sick and injured homeless animals.

Our work is based on our belief that every creature does count, and we make every possible effort to assist as many animals as we can.

Caring for large numbers of animals, these are critical need items:

- Financial donations
- Canned dog and cat food
- Dry dog and cat food
- Cat litter
- Garbage bags (13- and 30-gallon)
- Laundry detergent
- Alcohol / Bleach
- Paper towels
- 8 _ x 11 white paper
- Dept. of Ag-designated dog kennels (can be named to honor your special 4-legged friend!) or large sheds
- Cat beds
- Construction help or landscaping/services (volunteer)

Thank you.

We who reach to help another creature, hold the heart of humanity in our hands.
