

"Becoming a Love and Logic Parent" Classes

Are you looking for easy-to-use techniques that will help you raise responsible kids who are fun to be around?

Then you may want to attend *Becoming a Love and Logic* Parent classes. These classes are based on the Love and Logic® philosophy, which is an easy-to-learn and unique approach that unlocks the secrets of successful parenting. You will learn the specific "how-to's", not just theoretical concepts. But the biggest value of coming to these classes will be to learn more about Love and Logic and have an opportunity to share your experiences, ideas, and questions with other All Souls parents.

The classes will be facilitated by Therese Mashak, an All Souls parent and will consist of video presentations and small group discussions. The program includes seven modules. The first three modules will be presented on 10/15, 10/22, and 10/29 after the 8:15 am mass and the other four modules in January/February of 2010. We recommend that you commit to all of the sessions to reap the biggest benefit, but individual sessions can be attended.

There is a one-time fee for materials of \$10.00. This will provide you with a training handbook you can take home. In order to have a handbook for the sessions, you will need to register by Friday, October 2, 2009. If you register after October 2, your handbook will be delayed.

Please register by October 2 To register, or to receive additional information, please contact: Bridget Tschappat at 720-833-2720 or via email at btschappat@allsouls55.org

We hope that you are able to join us for these valuable parenting classes!

Classes will be held in the Jaeger Room of All Souls Church from 8:55 A.M - 10:30 A.M.

Module One	Raising Responsible Kids	Thursday, October 15, 2009
Module Two	The Love and Logic Formula	Thursday, October 22, 2009
Module Three	"C" Stands for Control That's Shared	Thursday, October 29, 2009
Modules Four through Seven will be offered in January and February 2010
